¹ By appointment for non CHEI students (for those arriving later, there are some clinic slots available on Thursday). Please make your request for a 30-minute slot to Francesca Finotello by email chei@unicatt.it

Thursday March 19th

9.00 Workshop on Quantitative Methods²,
(**Ibrahim Elbeltagi**, Plymouth Graduate School of Management, Plymouth University, UK)

Aim:

- To provide an overview of the process of conducting a survey for Master or Doctoral research, or for publication in the academic literature
- To discuss the quantitative approach using a questionnaire

Content:

- Stages in quantitative research
- Developing research questions and hypotheses
- Literature review
- Types of data
- Designing questionnaires - measures, indicators, scales, question types
- Sampling reliability and validity
- Presenting data (descriptive statistics)
- Analysing data (inferential statistics)

12.30 Lunch (own arrangement)

13.30 Workshop on Quantitative Methods

16.00 *The use of Survey Monkey* (**Robert Coelen**, Professor of Internationalisation of Higher Education, Stenden University of Applied Sciences, the Netherlands)

17.30 End of session

² During this workshop day, the current CHEI doctoral students will have an individual one-hour clinic with Fiona Hunter, Hans de Wit, Elspeth Jones and Betty Leask (in different compositions). Times to be settled individually.

Friday, March 20th
