

REPORT
PAOLA DI BLASIO, PRESIDENT of the
XIth European Conference on Developmental Psychology
August 27-31, 2003
Catholic University of Milano, Italy.

In the XIth European Conference on Developmental Psychology , besides Five Invited Addresses and ten Invited Symposia, Forty-nine Symposia, Three Poster workshops, 334 oral presentations and 380 posters were presented.

The oral presentations were organised in forty-six Thematic Sessions and the posters were organised around twenty-nine themes.

A total of more than 900 papers were presented, of which many were in collaboration (two or more authors often coming from different countries). In addition, many Authors presented more than one papers.

The effective participants at the European conference were 870 in total.

The following table (tab 1.) describes their Country of origin.

They came from 44 different Countries and as you can note from graf. 1 , the majority (69%) came from Europe but the remainder came from Other Countries, from Canada & Usa and from East Europe.
